

# Eight Beatitudes For Students

Blessed are the students who stay in touch with God during their academic life, they will always have a friend by their side.

Blessed are the students who study and go to class, they will become educated.

Blessed are the students who get involved in some extra-curricular activities, they usually develop into well-balanced people.

Blessed are the students who volunteer to help others, they will deepen their capacity to love.

Blessed are the students who keep away from drugs and alcohol, they are least likely to get into trouble.

Blessed are the students who pray and think through important decisions, they will probably do God's will.

Blessed are the student who keep in touch with family and friends, they will have a good support system.

Blessed are the students who take time to discover their gifts and use them to better the world, they will develop into mature Christians.
