

WHAT ARE YOU SAVING FOR?

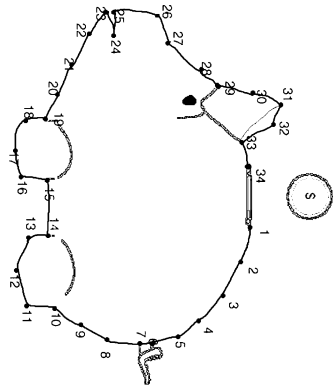

(On the way to Jerusalem) — Sometimes people work hard to earn a lot of money. They will save it to buy things they want to enjoy. It may be a big house or a nice car or a boat or a camper or a home computer.

Jesus saw how some people he talked to were worried about saving up enough money to make them happy. He warned them that they could fall in love with their money and forget about God. Jesus said if we want to save up riches, we should save them up in heaven. We can do that by helping people we meet every day. If we help them our lives will become richer than we ever would be if we simply kept all our money to ourselves and never used it to help anybody else.

Jesus said the best thing to do with our money is to give it away.
