

**Find The Trail.** Sometimes when Jesus led the way, his followers, the twelve disciples, had a hard time keeping up with him. Help the disciples find the path that Jesus wants to lead them on. Begin where the disciples are and finish where Jesus is walking.

**Match It.** Below are some things you see or hear about every day. The things in the list on the left will match up with something in the list on the right. Draw a line between the things you think go together.
